PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 12/7/2011.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

7

Special Condition # 17: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Abundiz failed to submit to a urinalysis test on October 11, 2011. He was directed to report to the office and make up the test on October 24, 2011. The specimen was presumptive positive for THC. The sample was sent to the laboratory and confirmed positive for cannabinoids on November 1, 2011. During discussion with Mr. Abundiz, he adamantly denies any drug use, but said he was "near" some guys during the apple picking harvest, who he believes were using the drug. He stated the individuals were several rows over from him in the orchard, but he could smell the substance.
